**ASSENTED-TO MOTION FOR ENLARGEMENT OF TIME
FOR DEFENDANT TO RESPOND TO THE VERIFIED COMPLAINT**

Defendants, Donna Davis and Davis Consulting, LLC, moves for an extension of time until October 13, 2022 to respond to Plaintiff's Verified Complaint. As reason for this request, Defendants state the following:

1. Defendants' counsel voluntarily accepted service of process on September 15, 2022, setting the current October 6, 2022 response date.
2. Plaintiff's Verified Complaint spans 103 pages and 387 paragraphs, and Defendants require additional time to respond fully to the allegations.
3. The requested ten-day extension to October 16, 2022 will not cause undue delay in this litigation.
4. Before filing this Motion, Defendants' counsel conferred with Plaintiff's counsel to discuss the requested extension and confirm that there is no objection to its allowance.
